PORTO CERVO AREA

PHI BEACH

OPEN

Phi Beach is an Open Air Club located near the military outpost of Forte Cappellini. Protected by enchanting rock formations shaped by the sea, its breath-taking natural position brings the unique experience of one of the most beautiful sunsets in the world. The Phi beach is the right alternative to the famous however less easy going clubs of the area. It is nowadays a MUST for the aperitif at sunset. Sun, sea, fun and exciting music with an excellent service.

RITUAL

OPEN

A granite castle upon the hill of Baja Sardinia. A masterpiece of art in particular harmony with the nature around it. Fiore preferred to define Ritual as a scenic design and he didn't like speaking about architecture work but we cannot deny being in front of a perfect example of organic architecture; landscape and human work are naturally connected. It seems to rise from the rocks and the surrounding vegetation. Every part of the club has been deeply studied considering landscape and stars' position.
